PLEASE CAN PARENTS LET CHILDREN KNOW THE ARRANGEMENTS FOR GOING HOME AFTER SCHOOL / WHETHER THEY ARE HAVING PACKED LUNCH OR A SCHOOL LUNCH / WHAT WORKSHOPS THEY ARE ATTENDING.

We are getting numerous messages that the Office Staff have to give to children during the day because they do not know or maybe the children have forgotten what they are supposed to be doing.

PARKING OUTSIDE THE SCHOOL

Some parents are stopping in the middle of the road when dropping children off for school, causing neighbours and other parents a lot of distress. We should be grateful if everyone can be polite to others and park considerately.
