

SAFETY RISK

Dear Parents,

Lately, there have been some incidents when parents have come into the school and gone to the cloakroom areas at the end of the school day, As it is not always easy to identify parents and it could be strangers coming into school, I would ask you to only go to the School Office if you have a query or problem. Yours sincerely,

W P Jarvis

PARENTS' MEETING

WEDNESDAY 30TH NOVEMBER

You can book an appointment for Parents' evening online. For those who haven't done this before, there is an easy guide on our website under 'OUR SCHOOL' and then go to 'PARENTS' EVENING BOOKING'.

There you will find useful information to guide you through the online booking of appointments, which can be done on laptops, PCs, iPads, and mobile phones. If you do not have access to the internet, please come to the School Office and we will help you.

The booking period will open on 16th November until Monday 28th November.

We look forward to seeing you.

CHRISTMAS FAIR

Friday 9th December

3.30 to 5.00pm

We should be very grateful if you could support us by donating anything for the Bric-a-Brac stall or the Bottle stall – just leave anything at the School Office.

Any offers of help on the day would be fantastic! Let us know.

OFSTED LETTER

Do take a look at the letter to us on our website from

Sir Michael Wilshaw, head of Ofsted.

It is good to receive such a positive response for all our hard work.

Tag Rugby

More success for our pupils who won their matches at the Croydon qualifiers against 4 schools - won 3 and drew 1 so we are in the finals!
