

A very Happy New Year

We hope you all had a very good Christmas holiday and that 2017 will be a happy and successful year for us all.

A lot of the car park is out of use while we have the old oil boilers replaced by new gas ones. Hopefully these will be more efficient and cost effective.

At present we set children for maths but this is always a fluid process and means children can easily move from one group to another depending on need. We are moving some of the maths groups and spelling groups around this term, based on the units being taught and the progress made by the children.

We have an exciting visit by the Bishop of Southwark on Friday. He will be leading worship, be touring the school and meeting with the School Council.

Our Christmas Fair was a great success with over £1200 raised for the school funds. Thank you all for your support.

We're still counting the money raised for Save the Children Festive jumper day. We'll let you know soon.

Four Year 6 children represented 'Team Croydon' at City Hall last month to win a grant of £1000 to help improve the borough of Croydon. They had to present their ideas to a panel of four London ambassadors and we are so proud that they were successful with three other local schools.

The children are now able to play table tennis on our new all-weather table in the playground. We were able to get this as we received a £700 grant.

On February 3rd, Gareth Davies is organising an Ultimate Dodgeball competition to raise money for Sports Relief. Look out for further details !

It was good to see so many children coming in at 20 to 9 this morning. It makes such a good start to the children's learning. Please try to get the children to school by this time.

We look forward to seeing you over the term.

Best wishes,

W P Jaws
