

**COME ALONG AND FIND OUT ABOUT OUR NEW MATHS SCHEME**

***MATHS NO PROBLEM***

**We'll be holding an information evening for  
parents and carers + junior age children**

**on WEDNESDAY 14<sup>TH</sup> MARCH at 6.30pm**

**You'll be able to have a go yourselves and ask  
any questions.**

**GREAT NEWS .....**

**OUR GIRLS' FOOTBALL TEAM  
have won through to the  
National League final at  
Leicester City's stadium.**

**This is a huge achievement  
and congratulations to  
them all.**

**They will be travelling to  
Leicester in May and we will  
all be wishing them lots of  
luck.**

**ROAD SAFETY**

In our last newsletter, we asked those of you bringing and collecting children in cars to be considerate to others using Warrington Road and take care to ensure the safety of our children.

Last week a parent who was collecting their child drove on to the pavement and over a child's foot. Luckily no serious injuries were sustained, but it could have been very serious.

**St Andrew's Secondary School's production of 'Oliver' will be performed shortly and over 50 of our children will be joining the cast as 'urchins'. This is as a result of their music teacher running one of our workshops which the children really enjoy.**
